

## **SPEAKER'S RIDER / REQUIREMENTS**

In order to ensure the best possible environment for your audience, the following must be in place before Kimberly Mull will be able to speak.

### **MICROPHONE**

Order of preference for microphone:

1. Hands free microphone (lapel or country-man mic)
2. Wireless Handheld
3. Handheld microphone with at least 30 feet of cord

Sound System has been tested for proper operation.

### **STAGE / LIGHTS**

Kimberly prefers a well-lit stage that is open and empty. A podium to one side of the stage is preferable, but not required.

Please leave the house lights on enough so that Kimberly can see at least the first 1/3 of the audience from stage.

### **SEATING ARRANGEMENT**

Please sit your audience directly in front of Kimberly in a theater or banquet style setting. Please, NO seating behind or to the side of Kimberly while she speaks, as this can be triggering while she speaks about difficult subjects.

If Kimberly is speaking at a school, she prefers to have the assembly in an auditorium. If a gymnasium is the only option, please sit students only on one side with the remainder on the gym floor or contact us to discuss other options.

The audience should be seated close to the stage.

### **RESOURCE TABLE**

Please put a table beside the exit of the room, or secure a nearby breakout room, so Kimberly can visit with, share resources, and autograph merchandise for your group.

There should be a 15-minute break immediately after Kimberly's speech in which she can interact with audience members, sign autographs, take photos, etc.

Please note that after almost EVERY presentation, members of the audience will come speak to Kimberly about their own personal experiences of sexual or domestic abuse. People often find bravery and comfort in speaking with someone they hear sharing her own experiences. This is an important step for survivors and Kimberly takes this time very seriously. She will stay as long as people are wanting to share, get resources, or tell their stories. She will provide each with resources and ways to find assistance in their specific area.

This time is expected and reflected in her speaker's fee. Please NEVER feel the need to rush people through this process.

## **OTHER NOTES**

A glass of ice and two bottles of water would be greatly appreciated.

**No filming or recording of the presentation is permitted** unless professional recording is negotiated beforehand. Attendees should be informed that filming of any kind is strictly prohibited due to the sensitive nature of the presentation.

The Client is responsible for sharing these requirements with the appropriate parties (tech crew, planning committee, etc.). It is very important to distribute this sheet. If these requirements are not followed, Kimberly does not guarantee the success of her speech.
